ASUCI Club Accounting Information

The Associated Students of UC Irvine are proud to offer accounting services for all registered clubs on campus. These services include deposits, withdrawals, online account, departmental invoicing, and much more all conveniently located on campus. Our services offer an alternative to opening up an account with a bank that requires monthly fees and providing personal information. Don’t have an ASUCI Club account? It’s easy to open one!

Opening an ASUCI Club Account

1) In order to open an ASUCI Club Account, your club must be completely registered with Campus Organizations. To check your registration status please go to https://campusorgs.uci.edu/registration/ or call (949) 824-5181.
